

Ultra Bee

Ultra Bee - Trial Edition

Dimensions:	2060mm X 880mm X 1178mm
Minimum ground clearance:	318mm(including battery)
Wheelbase:	1380mm
Seat height:	910mm
Dry/curb weight:	89KG(3C) / 88KG (EC)
Carrying capacity:	150KG (3C) / 100KG (EC)
Front fork travel:	240mm
Rear suspension/wheel travel:	85/240mm
Power system:	PMSM
Maximum output power:	12.5KW (peak)
Maximum torque of driving wheel:	440N.m
0-50km/h acceleration	2.3 S
0-80km/h acceleration	5.2 S
Top speed:	> 90KM/H
Max range @ 40KM/H	140KM
CLTC range	100KM
Sport mode range	55KM
ECO mode range @ 50KM/H	104KM
WMTC range	90KM
Battery type	74V/55ah lithium-ion battery pack Cycle life > 1500 times (80%)
Battery capacity	4070Wh
Riding mode	ECO/DAILY/SPORT/REVERSE
Frame material	Aluminum alloy forged frame
Swingarm material	Aluminum alloy forged frame
Tyre type	Front 80/100-19 off-road Rear 90/90-19 off-road (80/100-19 optional)
Front suspension	240mm travel full adjustable 37mm inverted fork
Rear suspension	85mm travel adjustable shock absorber
Front brake	240mm hydraulic disc brake
Rear brake	240mm hydraulic disc brake
Swingarm material	Aluminum alloy forged frame
SRTC + SERS	Sur-Ron traction control system + Sur-Ron energy regenerative system
Charge time	4H
Headlight	LED
USB port	USB-2-1A
GPS terminal	APP connection
Certificate	EC certificate/3C certificate
